What is MAT-EX?

MAT-EX: Western/Central New York Materials Exchange Program is a unique opportunity for any business, school or institution, non-profit service organization, or government agency to exchange unwanted or unusable products that would otherwise be discarded, and/or locate free or inexpensive materials that can be used in daily business operations.

MAT-Ex acts as a conduit between those who have materials and those that may be able to use them.

MAT-EX, the first listing catalog of "trash" in New York State provides "Available" and "Wanted" listings for a variety of non-hazardous materials including the following:
